PASSENGER INSTRUCTION BUUS APP

Action

VIPRE
Abel Tasmanstraat 81 Rotterdam

The BUUS app

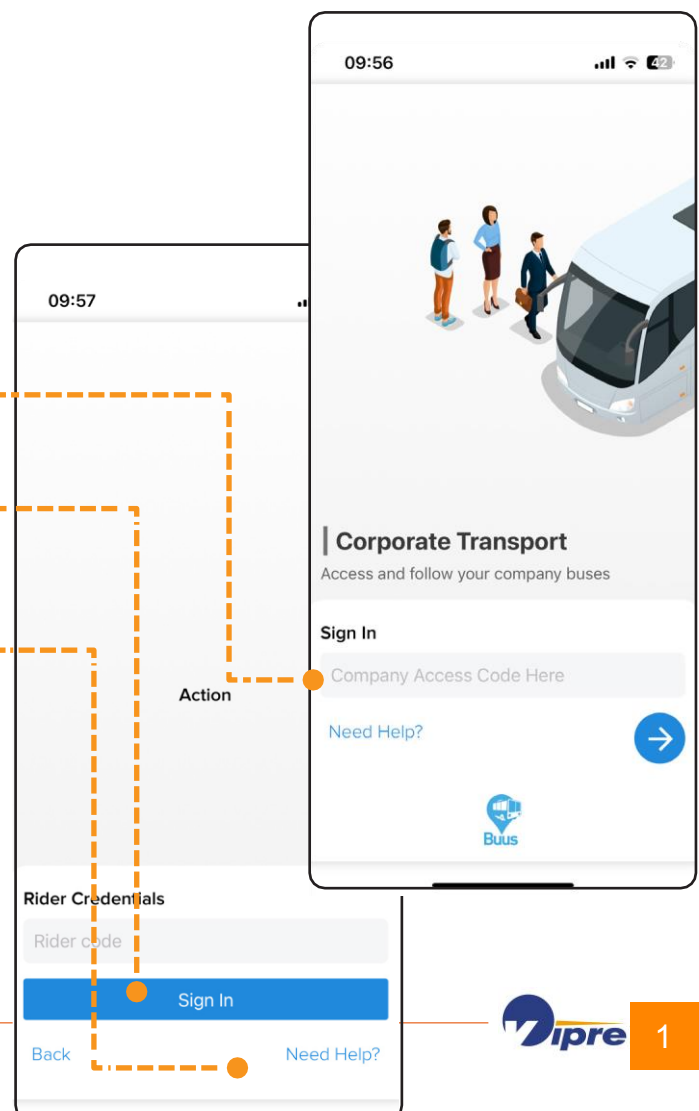

You receive this information because you use Action's shuttle service. To make traveling with the vans in the future even more pleasant and efficient, we introduce the BUUS App. With the BUUS app it is possible to follow the location of the buses live and we make it possible to reserve a place on the bus. This means you are assured of a seat and we can better tailor the transport offer to the demand.

How does it work?

To install the app on your phone, download the BUUS app from the Android or Apple app store. You will find the BUUS app under the name *"Transporte da Empresa"*

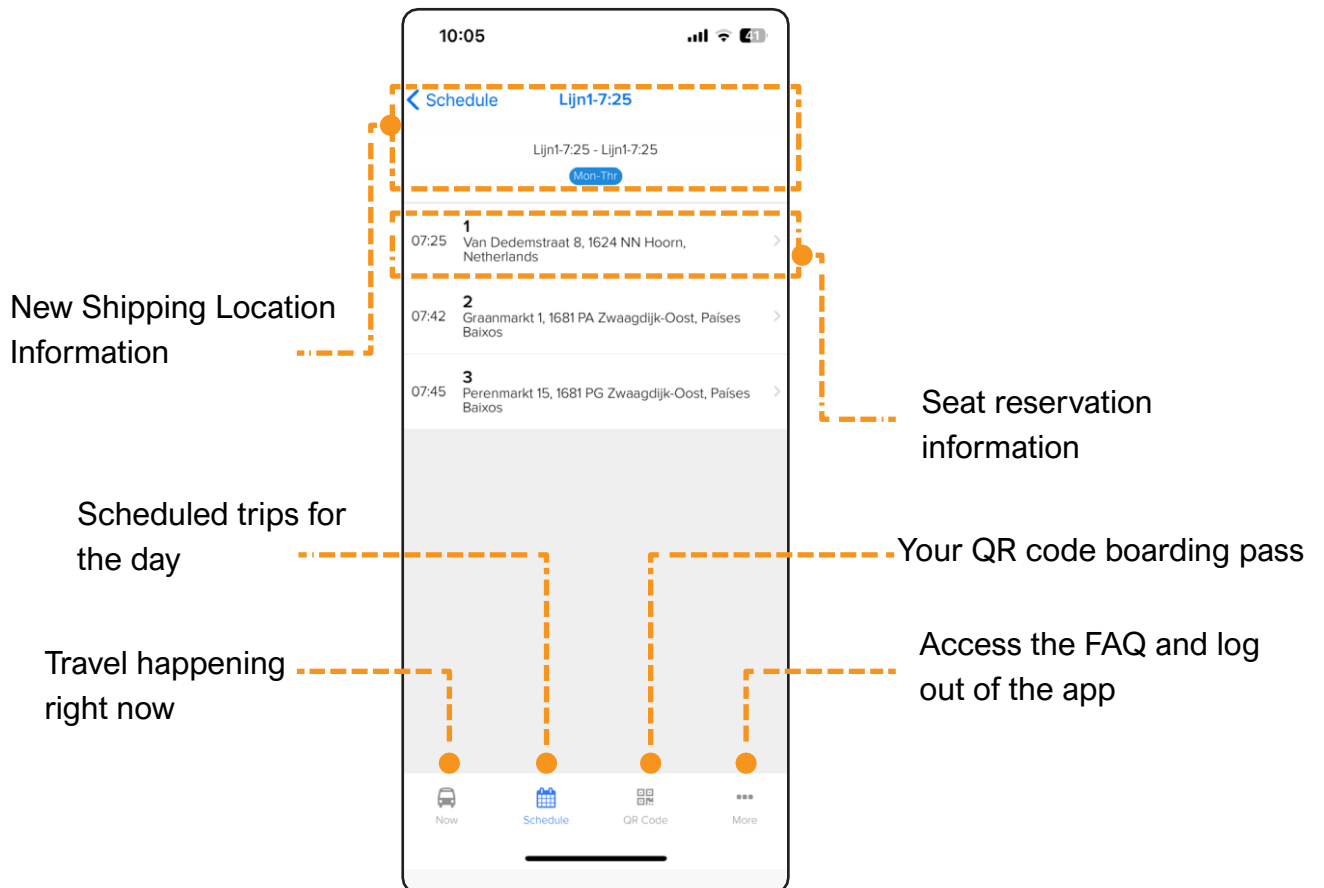

If you have installed the app on your phone, you can log in with username *"Action"* and the personal code you receive from the colleague responsible for bus transportation .

1. Enter the app by entering the company code and your user code in the indicated places.
2. Tap the "Sign In" button to complete the process.
3. If you have any questions about how to access the app, tap "Need Help?"

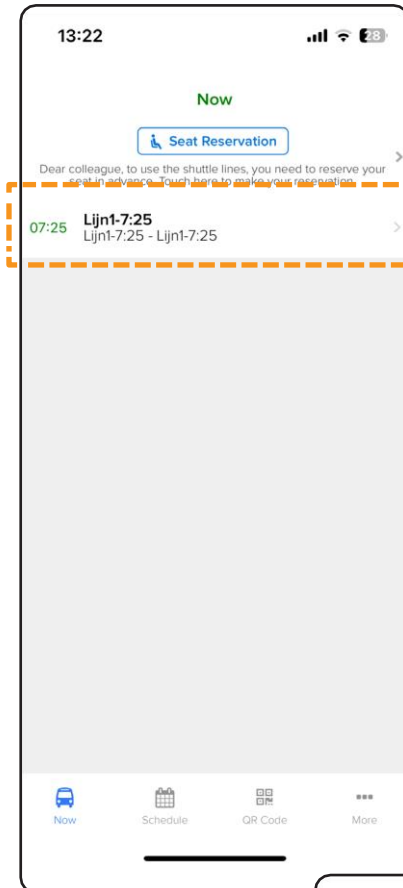

Main menu

Here you can see any reservations you may have made. You will also see a number of menu options.
